

At SafeHarbor we are proud of the quality and workmanship of our windows and patio doors and want you to be satisfied with them. We are pleased to offer you the following Transferable Lifetime Limited warranty on our products for materials and workmanship from the date of installation at no additional cost to you!

Of course, as you would expect, our warranty does not cover normal wear and tear, or damages resulting from misuse, abuse, neglect or improper maintenance, and alterations or damages caused by others.

Unit Components

 SafeHarbor warrants to the original single-family homeowner that products manufactured by SafeHarbor will be free of defects in parts and workmanship under normal use and service for as long as you own and reside in the home in which the products were installed.

Insulated Glass

 The insulated glass portion of the window is warranted not to "fail" for a lifetime from the date of purchase. A "failed" unit is one that develops a significant obstruction of vision resulting from a moisture film formation or dust collection between the interior glass surfaces of the unit caused by failure of the hermetic seal. Small marks, scratches and spots which do not exceed company standards or federal government specifications DD-G-451D or ASTM C1036 Standard Specification for Flat Glass, do not make insulated glass units defective.

Insulated Glass Warranty Coverage

Should the glass fail after the year indicated below as a result of defects described above, then SafeHarbor will charge you a fixed percentage of the company's selling price for insulated glass at that time, according to the following schedule.

YEARS		Required Payment Percentage
230, 250	255/270	
0-20	0-25	0%
21-30	26-40	25%
31-50	41-Life	50%

Transfer of Warranty

This warranty is transferable one time only by the original single family homeowner to a successor owner of the property. If this warranty is transferred, it will remain in effect for 10 years after the date of the transfer or to the conclusion of the original warranty, whichever comes first. SafeHarbor must receive written notice of the transfer of title to such property within thirty (30) days after the date of transfer of ownership. Failure to timely furnish such notice to SafeHarbor will result in the immediate termination of the warranty coverage.

Repair Procedure

This warranty is limited to SafeHarbor, at its option, repairing and/or replacing defective parts (color matching not guaranteed) in lieu of repair or replacement. SafeHarbor, in its sole discretion, reserves the right to refund the amount paid by the original single-family homeowner for the window product (excluding installation cost).

Product Changes

SafeHarbor reserves the right to discontinue or change any product it manufacturers. If the part or component of the product originally installed is not available and SafeHarbor determines to make replacement, SafeHarbor shall have the right to substitute such part or component designated by SafeHarbor to be of equal quality and price.

Commercial Applications

If SafeHarbor products are installed in non-owner multi-family occupied dwellings or used for commercial purposes such as schools, churches, government owned structures, office buildings, etc., then this warranty will be limited to 10 years.

Limitations

ALL IMPLIED WARRANTIES INCLUDING MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE WILL EXPIRE WITH THE TERM OF THIS LIMITED WARRANTY. SAFEHARBOR EXCLUDES AND WILL NOT PAY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES AND ITS LIABILITY WILL IN ALL INSTANCES BE LIMITED TO REPAIR OR REPLACEMENT OR REFUND OF ACTUAL PURCHASE PRICE OF THE DEFECTIVE PRODUCT.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation of the duration of an implied warranty.

This limited warranty is only applicable in the USA. This limited warranty gives you specific legal rights, and you may also have other rights, which may vary, from state to state.

This limited warranty may not be changed or modified by any representative of the manufacturer or its distributors or dealers.

Condensation, Mold & Mildew

Condensation on the glass surface is a natural result of excess moisture in the house and does not indicate a defective product or faulty installation. Maintaining proper household humidity levels may prevent problems such as mold, mildew and related health risks. In no event shall SafeHarbor be liable for any damages, including special, incidental or consequential damages, resulting from condensation, mold or mildew.

IF YOU BECOME AWARE OF PERSISTENT CONDENSATION ON YOUR WINDOWS, YOU SHOULD TAKE IMMEDIATE REMEDIAL ACTION TO PREVENT WATER, MOLD AND/OR MILDEW DAMAGE TO YOUR PROPERTY AND POTENTIAL HEALTH RISKS.
